

The Groucho Club
Membership Application

Drawing members from publishing, media, the arts and entertainment industries, The Groucho Club was founded in the heart of Soho in 1985 by a group of publishers who were sick of London's stuffy men's clubs. As former MD Mary-Lou Sturridge has said, "Some regulars became more than just customers, their lives, loves, successes and failures were interwoven into the fabric of the Club."

Whether you're joining us for a business meeting, a special family occasion, enjoying Twinkles and Espresso Martinis at Table 81 or devouring the Shepherd's Pie in the restaurant, The Groucho is beloved for its welcoming environment that feels like a home away from home.
